8 STATEMENT
9

10 This bill allows the holder of plenary or farm winery license to
11 also hold a plenary retail consumption license for the purpose of
12 selling other alcoholic beverages and operating a restaurant
13 adjoining the winery premises.

14 Under current law, the holder of a plenary or farm winery license
15 is entitled to manufacture wine to sell for consumption on and off
16 the licensed premises. Plenary retail consumption licenses are
17 generally issued to bars and restaurants and allow the licensee to
18 sell any alcoholic beverage for consumption on the licensed
19 premises. This bill would make a plenary and farm winery license
20 similar to a restricted brewery license, which allows the licensee to
21 brew beer and sell other alcoholic beverages, provided a restaurant
22 is operated on licensed premises.

23 Current law limits the number of plenary retail consumption
24 licenses that a municipality may issue based on population. This
25 bill would not increase the number of plenary retail consumption
26 licenses that a municipality is permitted to issue.

27 Under the bill, the winery licensee would be required to also
28 obtain a plenary retail consumption license and operate a restaurant
29 on the premises. The annual fee to hold both licenses would be
30 \$1,250.

31 The bill would exclude land used for the sale and consumption of
32 alcohol under a plenary retail consumption license from eligibility
33 for the farmland tax assessment under the "Farmland Assessment
34 Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.). The bill would
35 also exclude income from such sales from eligibility in relation to
36 the income requirements of the "Farmland Assessment Act of
37 1964."
